

Authoring DVDs

Adobe Encore CS5

Course Title :	Adobe Encore CS5 Workshop
Duration :	½ Day
Pre-requisites :	Knowledge of video resources.
For Whom:	Encore is integrated into Premiere Pro CS5. This workshop concentrates on the DVD authoring section, with the creation of interactive menus, and exporting to Flash.

Course Objectives: At the conclusion of the training participants will be able to -

- Produce an interactive DVD menu system
- Understand disc requirements
- Import and layout assets (clips)
- Create menus
- Create chapter points
- Create and manage links
- Create subtitles
- Test and build a DVD
- Create an interactive Flash file
- Create Web DVDs

Course Design: This workshop is part of our FastTrack Training scheme.

Training is undertaken in a one-on-one situation, or with a small group from the same workgroup. Throughout the course, the instructor will fully demonstrate and explain each new concept. This demonstration and explanation, coupled with plenty of practical exercises ensures that participants are able to meet the course objectives.

Participants are encouraged to bring samples of their work, both hard copy and on disk to the workshop, as well as a list of questions.

Notes are provided to each participant to take away at the conclusion of the training and each participant will have the exclusive use of a computer for the duration of the course.
